

## Sinowatcher Leisure Activities

Sinowatcher is a warm big family for everyone, here we get along well with each other, we respect each other and enjoy ourselves. Our enterprise spirit: creative, cooperative, humanized, and hard working. we not only organize activities at weekends ,but also have different activities after work. It not only makes our life funny, but also good for our health . As a consequent, we can provide better service to our customers.

### Play ping - pong

It's unbelievably that almost everyone in our company is very good at ping - pong. After lunch and after work, people in different departments will get together in the hall to play ping- pong , we enjoy ourselves . And You can see our smiling faces from the pictures in left side.

### Play badminton

Dear friends, our company also offers other sports equipment like badminton, basketball, volleyball and so on. And badminton is one of the most popular sports as well as ping-pong in our company .Though it's a physical exercise, we like it so much, and feel more energy when we are working.

### Read extracurricular books

If you don't like sports, we have a small library for you choice. We have different kinds of books about marketing, management, industry knowledge and novels and etc., it's convenient for us to learn new knowledge in our spare time. Here, dear friends, I am very glad to share with you the picture about our colleague who is reading a book.

Dear customers, if you come to our company, we would like to take this opportunity to enjoy the good time with us. We believe you will deeply feel the good atmosphere in our company. Trust me, you will like it. ☺
